

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 1799

IN THE MATTER OF:

Served January 30, 1978

BANNISTER ENTERPRISES, INC.,)
Investigation and Revocation of)
Certificate No. 32)

Case No. MP-78-1

On June 8, 1977, Bannister Enterprises, Inc. (Bannister) filed a certificate of insurance with the Commission indicating, inter alia, that in the event Bannister's insurance was cancelled, the issuing company would "endeavor" to give the Commission 30 days notice of said cancellation. By letter dated January 9, 1978, the Commission's rate supervisor notified Bannister that Commission Regulation 62 required a definite 30 days notice and requested Bannister to have the certificate of insurance corrected.

On January 28, 1978, the Commission received notice that Bannister's insurance had been cancelled effective January 18, 1978. Accordingly, the Commission finds that Bannister is in violation of his duty to maintain proper security for the protection of the public pursuant to Title II, Article XII, Section 9(a) of the Compact and Regulation 62 thereunder.

THEREFORE, IT IS ORDERED:

1. That the above-captioned proceeding be, and it is hereby, instituted for the purpose of investigating whether Certificate of Public Convenience and Necessity No. 32 issued to Bannister Enterprises, Inc., shall be revoked.
2. That Bannister Enterprises, Inc., be, and it is hereby, made a party to said proceeding.
3. That pursuant to Title II, Article XII, Sections 4(g) and 9(a) of the Compact, said Certificate No. 32 be, and it is hereby, suspended until otherwise ordered by the Commission.
4. Bannister Enterprises, Inc., be, and it is hereby, directed, within 30 days from the date of service hereof, fully to comply with the provisions of the Compact, Title II, Article XII, Section 9(a) and

Commission Regulation 62 thereunder, and is further directed within said 30 days to file with the Commission an appropriate certificate of insurance or such other evidence, in writing and under oath, as respondent may deem pertinent to show good cause why its certificate of public convenience and necessity should not be revoked.
